MAKING THE BUNNY.

1. Trace the Bunny shape onto the paper side of fusible web.
2. Cut out the shape- leaving about 1/8" around the outside edge of the drawn Bunny.
3. Iron the Fusible web Bunny shape onto the back of your chosen fabric.
4. Cut out carefully on the drawn line.
5. Trace the face details onto the front of the fabric
6. Peel away the paper backing and, centring the Bunny first, iron onto the background fabric.
7. Sew around the outside edge with a hand blanket stitch with two strands of white embroidery floss.
8. Make a bow with the ribbon, and sew in place on the Bunny.
9. Stitch the details (eyes, nose and mouth).
10. Sew the inner ears and the border.
11. Follow the instructions for making the hexagon.
